Description

**** SOLD OCTOBER 2024 ****

This is an immaculate two bedroom, one-bathroom first floor apartment for sale in the coastal town of Turre.

Turre is a small traditional bustling Spanish pueblo, offering all of your day to day requirements with supermarkets, shops, banks, pharmacy, doctors, etc. and of course a good selection of cafes, bars and restaurants.

The apartment comes with a communal rooftop swimming pool and terrace, and also benefits from a underground storage room. Ideal!

As is located on the corner of the block, the apartment enjoys plenty of natural light and ventilation, giving the whole apartment a light, bright and airy feel.

On entering the apartment, you are in a hallway, from where you access all rooms.

Immediately on your left is the family bathroom. This is a good size and offers a bathtub with overhead shower.

Opposite here, you have an ideal storage cupboard.

Then moving along, you reach the first bedroom. This is a good sized double and has double glass doors to a Juliet Balcony with views of the surrounding area.

At the end of the main hallway you reach the second single bedroom, again with views of the surrounding area.

Leaving the bedroom and turning left you are taken to the open plan living/dining and kitchen area.

This is a lovely light space and tastefully decorated and organised so that you make the most of your available space.

Again you have double glass doors to a Juliet Balcony and a window with views to the front of the property and the countryside.

The kitchen has Balay oven and hob with granite worktops and all white goods are included.

The apartment is being sold fully furnished (apart from personal items and some small electrical goods).

There is pre-installed air conditioning so the owners will leave a portable air conditioning unit in the sale.

This property is immaculate and turn-key ready.
