The main level features an open-plan, modern, high-spec fitted kitchen, a family shower room, and a spacious lounge/dining room with large sliding glazed doors leading out to the tiled garden and private pool. The under build offers versatility, including a double bedroom with access to a terrace area, a shower room, and a utility room, accessible via both internal and external stairs. The first floor comprises two double bedrooms, with the master enjoying access to a private terrace, and a family shower room. External stairs lead up to a private solarium, offering countryside and mountain views. The outdoor area is tiled for low maintenance and includes car access. Additional features include fitted wardrobes in three bedrooms, ducted air conditioning throughout, and both external and internal access to the under build. Disclaimer: Note that the under build is classed as storage space on the Title Deed, however this space has been adapted for the use of a lounge, one bedroom, a shower room, utility and storage area. In case you wish to register the new use at the Land Registry and the Cadastre an architect needs to check if the space meets the appropriate dwelling conditions (height, ventilation, etc.), and then issue the appropriate certificate. Another certificate from the Community of Property Owners will be required too.
