Description

Top modern architecture, breathtaking perspectives and the unique flair of the popular port town of Caleta de Vélez, known far beyond the borders of the Costa del Sol; in this beautiful 150m² chalet, all those features come together that make life in the sunny south of Spain so incomparable. The recently renovated property has three bedrooms, two bathrooms and an open-plan, fully equipped kitchen that flows into a loft-style lounge and dining area. The rooms are equipped with modern air conditioning units and the windows are double glazed. In the lounge, a fireplace provides crackling warmth on cooler days. The kidney-shaped pool is the highlight of the large southwest-facing terrace. A small open garden house provides the necessary shade even on hot summer days. The chalet also includes a large garage, which could be converted into a separate guest apartment, for example. We are pleased to be able to present this exclusive property to you personally on site or via virtual tour - here with us... on the sunny side of life.
